

Application Support Analyst/Developer

©2008 Extreme Solutions

Our client in Nashville, is seeking an Application Support Analyst - this is a new position in support of the various third party applications they have. Skills required are: BSSC or BSIS, 5 years programming; 2 years technical applications support; .Net and C# and queries in T-SQL.

Job Responsibilities:

It is front-line support and successful candidate will be able to:

- ID improvements to applications, processes & business logic.
- Meet their internal customer objectives via analysis and changes.
- Use application tool kits and associated programming tools and languages to extend existing system functionality and to develop new interfaces, reports, and processes.
- Assist in implementations and ongoing upgrade efforts to ensure the application and its environment are reliable, available and maintainable.
- Work with 3rd party vendors to ensure technical and functional issues are addressed in an appropriate and timely fashion, as well as ensure application and system upgrades are planned and implemented in a timely and professional manner.
- Work with 3rd party service vendors to develop and maintain processes to ensure seamless

integration between parties and systems.

- Develop support documentation and lead knowledge-sharing sessions.
- Other duties as required to be performed.

Minimum Required Skills:

- Bachelor's degree in Computer Science, Information Systems, or equivalent.
- Five (5) years programming experience, including report writing and integration skills.
- Two (2) years experience in a technical/application support role.
- Two (2) years experience using .Net and C#.
- Three (3) years experience building complex queries and programs with T-SQL.
- Strong knowledge of multiple technologies. Knowledge of business principles, i.e., accounting and human resources, and business-processing environments.
- Team-oriented professional with strong analytical, interpersonal and problem-solving skills are a must.

Compensation Plan

Our client offers a competitive benefits package including medical, dental, vision, life and disability insurance as well as a 401K Retirement Savings Plan.
